Fundraising

As a UK charity we are immensely grateful that we can rely on our amazing supporters to help us reach thousands of children with our singing and resourcing projects!

There are so many ways you can fundraise for iSingPOP, here are a few ideas to get you started;

Marathon

Why not sign up to take part in a local marathon or half marathon, many take place throughout the spring & summer months.

Bake Sale

Turn your school, church or community space into a cake shop! A fun way of working together to raise money.

Jumble Sale

Why not have a sort through of your old toys, clothes and other items, ask your friends and family to join in too.

Craft It!

Why not use you creative skills to make items to sell? Whether you can knit, crochet, paint or draw, this could be a great opportunity to sell your items to raise money.

Quiz Night

Everyone loves a quiz night, children and adults alike can join in, why not include food too.

Sponsored Event

Why not set yourself a challenge and ask your friends and famiy to sponsor you, we've included a sponsor form at the back of this fundraising pack to help you get started.

Talent Show

Ask your friends, family and community to get involved and let everyone show off their best talents.

Games Night

Show your competitive side and challenge your friends and family to a games night.
